Skills

I have experience in time management that helps me best accomplish the tasks at hand. Multitasking in a stressed environment while keeping composure. Working together with team members to get the job done. Communication with customers to fulfill their needs. Creative thinking to best accommodate my situations. Social Media skills for a public exhibition I helped produce.

Experience

Halls Chophouse / Food Runner, Server Assistant, Expeditor

August 2022 - August 2023, December 2023, Summerville

I worked in the fine dining setting for over a year. Customer service was our goal and perfect service was practiced. I would run the food to the customers and help the servers complete their tasks on the floor. I was also moved up to expedite in the kitchen where I would prepare dishes and make them look presentable.

Saltwater Cowboys / Expeditor, Prep-Kitchen

April 2024 - August 2024, Mt. Pleasant

I chose Saltwater Cowboys because I wanted to solely be an expeditor. I enjoyed the atmosphere of the kitchen and the fast pace of work. I worked late hours including overtime to help with the behind the scenes of the restaurant. I had to be very attentive and quick to get the orders out timely and efficiently.

Skin Solutions Day Spa and Boutique / Sales Associate

May 2025 - August 2025, Anderson

It was a faith-based shop which allowed us to be able to be very personable to our customers, often interacting with them on a deeper level. I was trained on the sales system and how to arrange the store most appealing to the clientele. I also produced some graphics that were used on their social platforms. Most of my shifts I would open and close the shop on my own.

AU Makerspace / Social Media Coordinator, Community Engagement Lead

August 2025 - Present, Anderson

I am currently employed with the Makerspace in downtown Anderson. I help students work with many different machinery and crafting materials

for projects and personal works. I head two different committees and will be running for chief of staff this week. Not only am I helping others but I am constantly learning more effective ways of teaching and interacting.

Education

Northside Christian School/ High School Diploma

August 2007 - May 2023, North Charleston

I attended Northside from K3 through 12th Grade. I participated and was on the board of the National Honor Society. I played volleyball, soccer, basketball, and was a captain my senior year. I graduated in the top 5 of my class.

Anderson University / Graphic Design Major/Photography Minor

August 2023- Present, Anderson

I am currently a junior in my third year at Anderson University. I am studying Graphic Design and hope to start my own business. I also minor in Photography.
